Docket from the Civil Surgeon Mysore dated 22nd Novr 1891 No 169 recommending for sanction to the employment of a Sweeper on Rs 5 per mensem over and above the scale of establishment for which provision has been sanctioned in the Budgets for 1891-92 on account of the Branch Dispensary at Erangeri

Order thereon No 11277—99 15/11/92
L 1041

In forwarding the above in original (to be obligingly returned to the Senior Surgeon and Sanitary Commissioner to the Government of Mysore, it is directed that all communications from the Civil Surgeons be submitted in future through the Senior Surgeon

2 The Government understand that a Branch Dispensary was opened at Erangeri in July 1891, but without ~~but this office is not aware~~ of its having sanctioned the formal

sanction of Govt (2)
~~of the institution~~. This is
irregular. The existence of a provision in the Budgets for the Dispensary ought not to be regarded as ~~in itself~~ a sufficient authority for its establishment, ~~& it has already been established~~, but special sanction should invariably be obtained.

3. The Budgets provide for ~~the Dispensary at Erangeri~~ only 2 servants, ^ for the new Dispensary
viz one on Rs 7 and the other on 2 Rs per mensem as in the case of the Branch Dispensary at Old Agrahar; but it is not clear under what authority the Hospital Assistant engaged the services of a Sweeper on Rs 5 per mensem ~~for the new Dispensary~~ in excess of the Budget provision. The Senior Surgeon is therefore requested to explain the matter and report whether the services of the Sweeper in addition to the 2 servants for whom provision exists, ^ in the Budgets for 1891-92 are absolutely necessary, ~~for the new Branch Dispensary at Erangeri~~ while the similar institution at Old Agrahar in the Municipality is managed without the employment of the ~~additional~~ sweeper.

4. It is stated that the bills for

3

for July and August 1891 on account of the salaries of Dispensary servants including the Sweeper ~~Office~~ countersigned by the Vice President. The President is ~~therefore~~ requested to state whether the Board have approved of the extra charge, if so a copy of the resolution should be submitted.

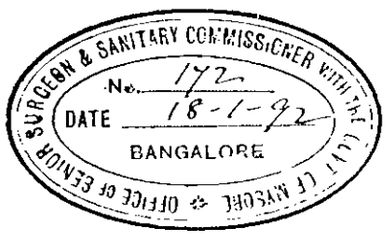
GOVERNMENT OF MYSORE



To

The Chief Secretary to the
Government of Mysore.

Sir,

With reference to Government Proceedings No 11277-9 Ems: 6 of Bangalore 15th January 1892 E 1041 I have the honor to forward the marginally noted documents for information and favour of return when done with and to state that the Municipal Board of the City of Mysore at a meeting held on the 1st April 1889 passed a resolution in favour of opening a dispensary at Krangere and I presumed they would, as in the case of other Municipal dispensaries obtain the sanction of Government therefor direct.

2.- Considerable delay occurred in opening the dispensary, due in the first place, to no Hospl Assistant being available for the purpose as more pressing wants had to be supplied elsewhere, and secondly to delay on the part of the Vice President of the Municipality in answering Communications from this Office relative to providing a suitable

house and the necessary furniture for the dispensary.

3. I posted an Hospital Apistant to the dispensary on the 23rd June 1891 a few days previous to my departure for England on deputation, and I took it for granted that servants would be employed in Conformity with the provisions for them in the Municipal Budget but possibly the Civil Surgeon found it impracticable to obtain the services of a Sweeper for Rs 2/- a Month and authorized the Hospital Apistant to employ one on Rs 5/- for which he subsequently, when officiating as Senior Surgeon, asked the sanction of Government.

4 Dr. Bazar is now absent on furlough so it is not practicable to ascertain from him why he permitted the Hospital Apistant to employ the sweeper on pay in excess of the Budget provision. The Hospital Apistant's reasons for recommending the enhanced rate of pay are not quite clear and are apparently because of the large attendance the services of an efficient person could not be had for Rs 2/-

5. The sweeper referred to is not in addition to two other servants. The only servant employed is the Compounder on Rs 7/- vide pay bills enclosed.

6 Under the Circumstances, as the sweeper has been employed at the dispensary for

several

several months on Rs 5/-, and as the attendance of patients at the dispensary is large, I would recommend that his permanent retention on the present scale of pay be sanctioned or at least reduced by one rupee.
